

## **Michelle Rondeau**

I joined Barrow Hedges in September 2020 and lead Inclusion and Safeguarding across the school. Before joining Barrow Hedges, I worked at another Cirrus Trust School, where I was one of the Assistant Headteachers and this role included being the school SENCO and Pupil Premium Lead. In 2019, I completed a Masters in Education (Leadership and Management), and in 2020 I completed the National Award for Special Education Needs Coordinators. I feel extremely lucky to be supported by an experienced and dedicated inclusion team, who continuously support each other and the school community every day.
