

Alexis Hille

Alexis joined Barrow Hedges as a co-opted governor in December 2015. She is a solicitor, specialising in private client law but with some background in employment law and schools work. As mum to two young boys, Alexis has a particular interest in Early Years provision, and she enjoys serving as Barrow Hedges' EYFS Link Governor. Her favourite work as a governor is coming to school and chatting with the children about their interests and opinions – it is always thought-provoking, and often surprising! Alexis also serves as Vice Chair of the Local Governing Body.
