

Melissa Williams

I was appointed Parent Governor in late 2020, having been on the Barrow Hedges PTA for 2 years and serving as class representative for both my children, the eldest of which has been at the school since 2016.

I presently work for a Day Nursery providing administrative and HR support, as well as chairing the Patient Participation Group of my GP surgery and managing a local rugby team. In my spare time I enjoy running, cooking and reading.

I look forward to working with the Governors board in helping make Barrow Hedges as safe and enjoyable a learning environment as possible for both children and staff, and am passionate about ensuring all members of the wider school community are engaged and included on as many activities and events as possible.
