

Wednesday 4th July 2018

Dear Reception and Nursery parents,

Electronic Learning Journey Folders

On Friday 6th July your child's completed Online Learning Journey will be available for you to download.

This Learning Journey celebrates your child's achievements throughout this academic year. Each Learning Journey is personalised and really shows your child's personality and also forms part of their end of year report.

The download will be available for 3 weeks. At the end of the 3 week period, your child's Learning Journey will be deactivated. These Learning Journeys are truly special so please do respond to your notification email that will be sent to you on Friday. **If for any reason you have not been able to log into your Tapestry account this year, please contact the school office in order to receive a new activation link.**

To download your child's Learning Journey, please log into your account and click on the drop down menu by your name. Choose 'Journal PDF Newest'; you can then download your child's file onto your own device for safe keeping.

I do hope you enjoy celebrating your child's achievements as you look at the Journal together.

Kind regards,

**Mrs Covey
Early Years Leader and Assistant Headteacher**
