

Barrow Hedges Primary School Sports Funding Expenditure Report:1st September 2018 – 31st August 2019

SPRING IMPACT REPORT

The total amount of money to be received for Sports Funding between 1st April 2018 and 31st August 2018 is £21410

There are 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Ofsted (February 2015) stated: "The primary sport and physical education funding is used effectively to buy in specialist coaches who teach some lessons and help to improve the skills of class teachers. This is helping pupils' progress in physical education both now and in the longer term. The school has good relationships with parents."

Item/Project Indicator area	Group (Year Group/Whole School etc.) to benefit	Period of time	Frequency	Cost	Objective/Impact
KEY INDICATOR 4 To develop PE curriculum in EYFS through structured tennis lessons.	Reception	10 weeks	Summer term	£900	Children in Reception to participate in 30 minutes (groups of 15 children) on tennis skills for a 10 week period.
