1st November 2019

Dear Parents/Carers,

Developing Self-Help Skills Workshop – Monday 11th November 2019

We will be holding a Nursery information session to help you support your child to make progress with regard to their Personal, Social and Emotional Development (PSED). PSED is a prime area of learning and underpins all other areas of learning and development within the Early Years curriculum.

In Nursery children experience activities and learning opportunities that support them to; develop a positive sense of self, form positive relationships, manage their feelings and have confidence in their own abilities.

By sharing some of the ways we contribute to this in Nursery, we will work in partnership with you to build your child's independence and support self-help skills at home.

For **Caterpillar Class** (AM), please meet at the office at 11:10 am
(The school will be observing a 2 minute silence at 11:00am)

For **Tadpole Class** (PM), please meet at the office at 2:30pm

Please let the Nursery staff know if you are unable to attend and we will ensure you receive the information pack after the meeting.

We look forward to seeing you at the session.

Kind regards,

Mrs Janine Covey
Early Years Leader
