Online safety means being safe online when you are using electronic devices – Year 1 child

I feel safe online because the computers are restricted to certain websites that we know are safe- Year 5 child

Adults keep us safe and we have digital leaders trained to help us. Adults investigate things and make sure it's dealt with- Year 6 child

Online Safety Pupil Voice

It is important to be kind online and only say nice things– Year 2 child

I feel confident telling an adult if there is a problem online because they are easy to talk to- Year 3 child

Online safety is important because we need to know how to keep safe especially when we are older because we might have different devices- Year 4 child
