

CHESS CLUB – **YEAR 1 TUESDAY** After-School

Beginners and Players Welcome

Why play chess? Chess is fun, it is a lifetime hobby, but it is also so much more.

Studies show that pupils become better and sharper decision makers after regular chess play.

- It improves concentration and visualization – needed in daily life
- Analyse problems and evaluate options – can improve maths!
- Develops logical thinking and the ability to make decision under pressure
- Learn resilience in defeat
- Understand that decisions have consequences – again, needed in daily life
- Brings together all ages, nationalities, backgrounds, and gender

Beginners learn from scratch how to play and those who can play enhance the skills they already have as we learn various tactics, opening and endgames in club.

REGISTER FOR THE CLUB

If you would like your child to join the club, please **send your registration to the school office.**

Minimum 12 participants needed for the club to go ahead, maximum capacity of 22.

Term Dates and Fee

Dates: w/c Monday 26th April – until w/c 5th July

Fee: £50 for 10 weeks

Teacher: Mrs Luca Petre, lucapetre@gmail.com

Once all registrations received, and the minimum capacity is reached the school will send out an offer to your child. Payment for the club to be made by Bacs or Cash. Cash to be paid after first lesson. Online payment details will be made available once the school confirmed your child place in the club.

Terms and Conditions: Participation is dependent on the correct fee being received before the start of the first session. Refund are NOT given for any reason, including action taken by teaching unions or school closure
