

# **Barrow Hedges Primary School Sports Funding Strategy Plan :1<sup>st</sup> September 2020 – 31<sup>st</sup> August 2021**

## **SPRING IMPACT REPORT**

The total amount of money to be received for Sports Funding between 1<sup>st</sup> September 2020 and 31<sup>st</sup> August 2021 is £21390 plus £4955.06 carry over from last year due to COVID-19

There are 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

***Ofsted (February 2015) stated: “The primary sport and physical education funding is used effectively to buy in specialist coaches who teach some lessons and help to improve the skills of class teachers. This is helping pupils’ progress in physical education both now and in the longer term. The school has good relationships with parents.”***

**School Improvement Targets -**

1. To provide an outstanding curriculum. To ensure that the curriculum has been reviewed and appropriately adapted following the period of school closure.
2. To ensure that children make the best possible progress given their individual starting points (in light of covid-19).
3. To maintain the highest standards of children’s behaviour through a consistent, supportive approach and positive attitudes across the school community.
4. To continue to equip children to become responsible and respectful citizens who are able to keep themselves mentally healthy.
5. To continue to strengthen leadership across the school, including governance, to further raise the achievement for all pupils.
6. To further secure outstanding provision and pedagogy in EYFS.
