

**Mrs Louise Wood BA (Hons) PGCE NPQH
Headteacher**

Dear Parents and Children,

I am excited to be writing to you about an opportunity to get your hands on an incredible **Blue Peter music badge** (as shown), designed by the one and only music-sensation Ed Sheeran! The badge was designed in association with BBC music day as a chance to celebrate musical effort and achievement!

In his own words:

"I've always loved Blue Peter and even got the chance to present the show a while back, so I'm made up that I got to design their first-ever badge for BBC Music Day. Music was really important to me growing up and I hope this badge will inspire more kids to get into it."

As a school we have so many talented musicians and it would be a fantastic opportunity for children to share their own accomplishments in music. I would like to collect examples of childrens experiences that we can showcase and celebrate together as a school.

I will be sharing this with the children in music assembly today **Wednesday 8th January 2020** and handing out application forms at the end of the day (also attached if it gets lost). **Entrants must be six or over to apply for the badge** but I would welcome younger pupils to enter if they would like to receive a music certificate from school.

The sections to answer are as follows:

How do you enjoy making music?

Musical memories

Name your top 3 songs and why you like them

If you would like to enter, fill out the attached form and **bring it back to school** by **Wednesday 29th January 2020** so that I can send them off together. Don't forget to attach a picture of yourself enjoying music with your entry! Please give forms to your class teacher.

Details of what to include are provided on the form along with a privacy and information sharing agreement– please read this carefully to make sure that you agree.

Thank you! I look forward to seeing your entries!

Best wishes
