

2nd December 2020

Dear Parents / Carers

School Fund

Every year we invite each family in the school to make a voluntary contribution towards the School Fund. The suggested amount is £20 per family. A few parents have asked us if they can contribute more to School Fund and the answer is 'yes, thank you!' This is now set up on ParentPay.

You may be wondering why we ask for this contribution. Monies from School Fund enable us to enrich the curriculum through the year to add interest and excitement to lessons. Examples include the purchase of ingredients for Design Technology lessons, materials for Science lessons and specialist media for Art. The School Fund resources described here enable us to make lessons more memorable and help us to make them even more engaging and practical. The costs for such resources are beyond the essentials met through our delegated budgets.

The support and generosity shown by families in previous years' School Fund contributions certainly has made a difference so I would like to thank everyone very much and I look forward in anticipation of an excellent response this year too.

Kind regards.

Yours faithfully

Louise Wood
