

29<sup>th</sup> January 2021

Dear Reception Parents,

**Re: Bug Club**

Following on from the letter sent dated 8th January, we would like to remind you to read with your child every day; just like you would their home school reading book that we would send when your child is at school.

To have new books set for your child, please ensure that they have answered the questions contained within the book by clicking on the 'bugs'. You also then need to press the 'cross' sign to close the book. This action shows that you have read the book and will then send it to 'My Library' where your child can revisit them to consolidate and build confidence (see reference pictures attached to this PMX). **This needs to be done in order to receive new books.**

We know that you are working very hard supporting your child to access all their different activities each day. We would like to take this opportunity to say thank you for your support and to remind you that your child would benefit from reading every weekday for ten minutes. As you know, we have to offer your child full access to the Reception curriculum. Bug Club enables your child to access reading materials that meet their next steps instead of the book we would usually provide.

We wish you all a lovely restful weekend ready for a new week of learning at home.

Kind regards,

**The Reception Teachers**
