

Summer Term 1

Can I be an Author?

I need to know and remember that:

- An **author** is the person who writes the story.

- An **illustrator** creates the pictures.

- **Characters** are the people or animals in the story.

- The story **setting** is the place where the story happens.

- The **events** are the things that happen in the story.

- The **plot** is the problem in the story.

- The **resolution** is how the problem is solved.

- There are different types of stories like **fairytale**s and **traditional** stories.

This term we are learning to become authors. To be an amazing author we need to remember to:

1)

Say the sentence aloud.

2)

Count the words in the sentence.

3)

Stretch out the words to hear all the sounds.

4)

Write the sounds in order.

5)

Use finger spaces between words.

6)

Read your writing as you write to check it makes sense.

To help my learning I need to know and understand these words:

- Sentence- Words that make sense together to share our ideas.
- Capital Letters- Used at the beginning of sentences and for names.
- Full stops- Show the end of the sentence.
- Adjectives- Words that describe objects, places or people.

Can you be an author?

Talk about this with your grown up!
