

Year 2 – Summer Term 1
We Are Zoologists
Computing

In this unit, the children go on a bug hunt, recording and identifying the small animals they find. They will then organise the data they have collected, record it using a graphing package, and interpret the graph to answer questions about the animals.

Information Technology

Prior Knowledge

Children will already know how to save and retrieve their work successfully.

Our Learning Journey

To create a set of instructions to travel from the Earth to sort and classify a group of items using a branching database.

To collect data using tick charts or tally charts.

To take, edit and enhance photographs.

To use simple charting software to produce pictograms and other basic charts.

To explore and record information on a digital map.

To critically reflect on and present data.

E-safety:

To know that I can find a range of information online.

To know what to do if I find something inappropriate online.

Data – Information
 ●●●●
 gathered on a particular subject.

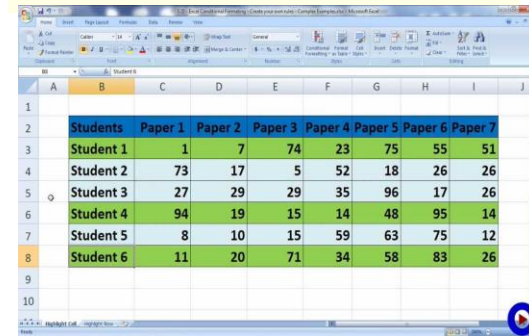

Chart – also called a
 — — ●
 graph is used to show data.

"What sport do you play?"

Sport	People
Soccer	106
Tennis	45
Gymnastics	54
Swimming	82
Track	68

Database – a collection
 ●●●●●
 of data that is organised and kept in one place.

Excel – A program to
 ●●●●●
 store data.
