

13th July 2022

Dear Reception and Nursery parents,

Electronic Learning Journey Folders

I am pleased to tell you that your child's Online Learning Journey is now available for you to download. This Learning Journey celebrates your child's achievements throughout this academic year. Each Learning Journey is personalised and also forms part of their end of year report.

The download will be available until 11am on Monday 18th July. At the end of this period, **your child's Learning Journey will be deactivated**. These Learning Journeys are truly special so please do download these. **If for any reason you have not been able to log into your Tapestry account this year, please contact the school office via email (office@barrowhedges.com) in order to receive a new activation link.**

To download your child's Learning Journey, please log into your account and click on the drop down menu by your name. Choose 'Journal PDF Newest'; you can then download your child's file onto your own device for safe keeping. **Please be advised that in order to download your child's learning journey, you must access Tapestry on a computer rather than on the app** (please go to www.tapestryjournal.com).

I do hope you enjoy celebrating your child's achievements as you look at these Learning Journeys together.

Kind regards,

Mrs Covey
