

Tuesday 28th September 2021

Dear Parents/Carers,

As part of our 'A Child's War' theme, we will be making Anderson shelters in Design & Technology. We have already asked the children to bring in a shoebox for this project so thank you if you have already sent a shoebox in with your child. If you have not yet sourced a shoebox, it needs to be in school by Monday 11th October so we can start our project. This box must be labelled clearly with name and class name. If you have an extra shoebox, feel free to send this in with your child so we have spares available.

We will also require a variety of materials to complete these projects. Please look through recycling or craft materials and send your child in a range of resources. Some suggested items are:

- Small pebbles
- Tin foil
- Card
- Cardboard/corrugated cardboard
- Lollypop sticks
- Plasticine
- String
- Felt
- Coloured paper/card
- Recyclable plastic cartons

Please put any extra resources inside the shoebox or in a clearly labelled bag if they do not fit in the box. Do not hesitate to get in contact if you have any questions or queries.

Thank you for your continued support.

Kind regards,
Miss Lucas, Mrs Duffin, Miss Swinfield
