# English Assessment

To help inform our teacher assessment of whether your child is on track to meet the expected standard for the end of year we carry out ongoing assessments of the children's reading and writing throughout the year.

Primarily, your child's English book forms a portfolio of writing which showcases their ability to meet the Year Group expectations, both independently and with help from their teacher. This is the main body of evidence used to assess children's attainment and progress in writing throughout the year.

Children have Guided Reading sessions every day and their responses to class discussions and independent work during these sessions inform the teacher's assessments. In addition to this teachers will listen to children read on a 1:1 basis to assess their fluency. Children also carry out more formal reading assessments throughout the year. 'Book band' assessments will happen at least once per term but may happen more frequently at the discretion of the teacher.

# Handwriting

The school has a cursive handwriting policy.

If you would like to see what these letters look like please check our website for further information.

Year 4

## Mathletics

Children in Year 4 will complete a weekly 'mathletics' times table activity (usually on a Thursday). They complete a set number of multiplication and division questions within a set time. If your child gets them all right, they will progress to the next time table.

Each week they will bring home their test sheet. Please help your child to learn the table they're currently on and to practice any facts that they're finding difficult to remember.

**Believe to Achieve**

## Mathletics

Once the children have made their way through the levels, they then complete a range of 'Ultimate Challenges'. Each challenge involves 144 mixed tables questions using both multiplication and division.

There are four separate challenges:

- 1) Mixed multiplication and division
- 2) Mixed multiplication and division with powers and square roots
- 3) Mixed multiplication using multiples of 10
- 4) Mixed multiplication of the 13-24 times tables

Each child will need to complete each challenge three times (and better their time score) before moving on to the next challenge.

# Arithmetic

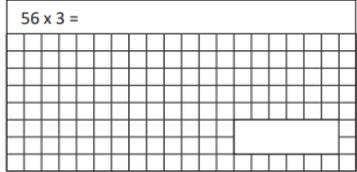

We have introduced weekly arithmetic tests, which are similar in style to the SATs arithmetic test paper.

The children will complete these every Friday, and will bring them home, along with their spelling test.

Although your child's teacher will go through the answers with the class, please look at the test with your child at home. This will give you an idea of what the maths expectations are and will enable you to support your child.

# Behaviour

This is our basic sanctions system in school. It progresses from a warning to missing 5, 10 then 15 minutes of play (depending on the transgression). A 15 minute exclusion will also result on your child going on the '3,6,9' sheet (see next slide)

# Behaviour - 3,6,9 explained

# In the Dining Hall

## In the dining hall/ classroom we must:

Line up in an **orderly** fashion.

Say please and thank you and use **good manners**.

Stay in our seats for the whole time we are eating.

Talk calmly to others, never shouting.

Be gentle and not hurt others.

Be kind and helpful and not hurt anyone's feelings.

Work together to solve problems, **using words to express and explain, rather than actions**.

Clear away our own plates, cutlery and **any waste**, including from our lunchboxes.

Walk sensibly and never run.

Return our lunchboxes to the lunchbox trolley carefully and neatly.

# On the Playground

## In the playground we must:

Learn and know the rules for how to use our playground and follow them.

***Be gentle and not hurt others.***

Be kind and helpful and not hurt anyone's feelings.

Play together and ***look after each other.***

Work together to solve problems, using words to express and explain rather than actions.

Take care of our ***equipment*** and use it properly.

Leave dirt and rocks on the ground.

Ask to use, and behave sensibly in, the toilets (this is not a place to play or chat)

Tidy up after ourselves.

Stop playing when the bell goes, stand still and listen quietly.

Tell an adult if you are feeling sad and/or lonely.

Tell an adult if someone is not following the rules.

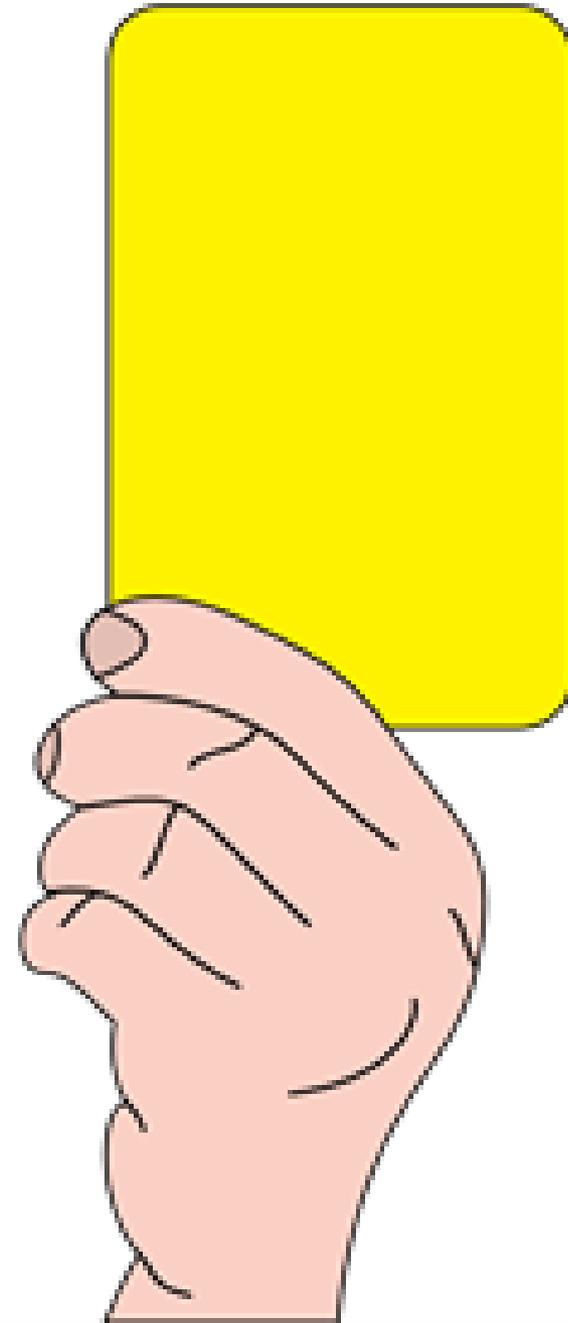

# Consequences: Yellow Card

If you do not follow the lunch time rules, you may get a yellow card. This means you will have a 5 minute (KS1) or 10 minute (KS2) time out.

In this time you need to calm down and think about what you did wrong.

Examples of behaviour that may result in a Yellow Card:

- disrupting other children's play on purpose
- Showing disrespect towards a Midday Assistant – this includes verbal (e.g. answering back) and non-verbal behaviours (e.g. rolling of eyes)
- Not doing as you've been asked (e.g. lining up quietly)
- Throwing food on the floor and/or being silly with food
- Shouting and messing around in the dining hall, including being out of your seat
- Pushing in the line
- Entering the school building without asking
- Being silly and/or staying too long in the toilets
- Unkind behaviour
- Rough behaviour

# Consequences: Red Card

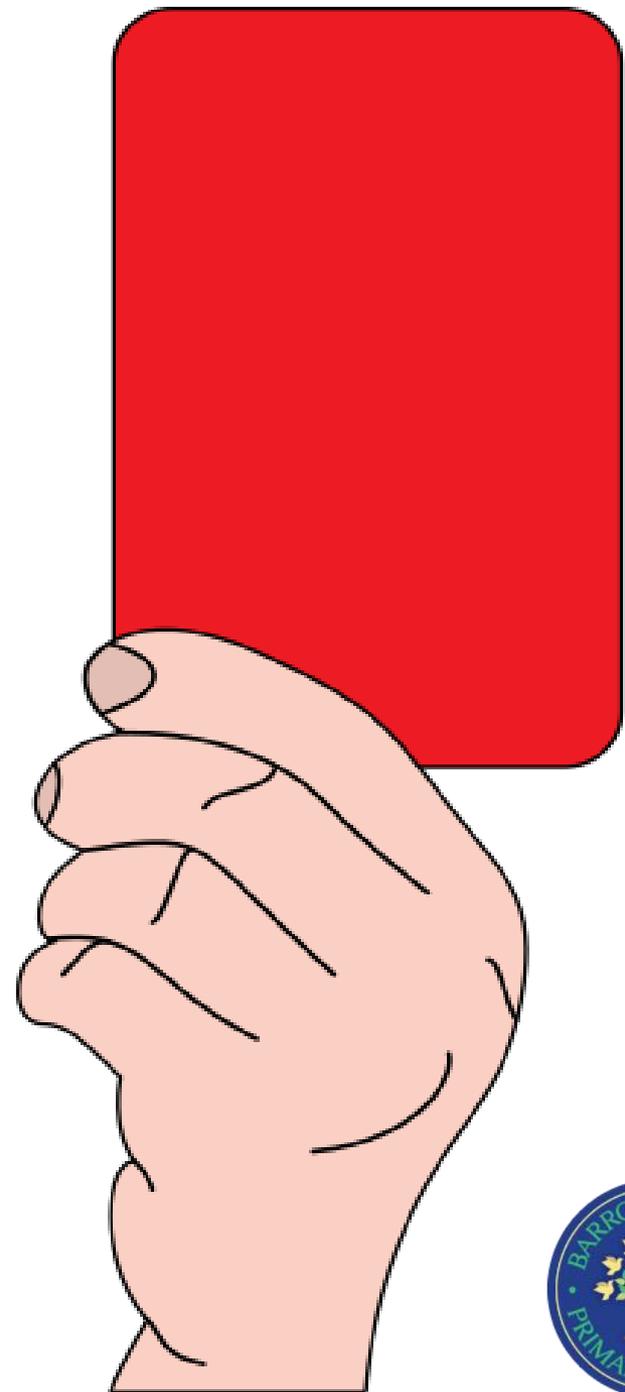

If you do not follow the rules and your behaviour is *more serious*, a Teaching Assistant or Midday Supervisor can issue a Red Card. If you get a red card you will be sent directly to the main office and a member of the senior leadership team will speak with you before deciding what to do next.

If you get a Red Card children will be removed from lunch play for a total of 30 minutes (KS1) or 60 minutes (KS2).

This 'detention' may be spread over two breaks.

There are some types of behaviour that will result in the immediate issuing of a red card. Examples include:

- Physically hurting someone on purpose (punching/kicking)
- Threatening/aggressive behaviour
- Racism
- Being rude to a midday assistant (saying 'No!' If you are asked to do something)
- Swearing
- Breaking or damaging equipment on purpose
- Stealing

The Midday Supervisors/Teaching Assistants will make decisions about giving yellow and red cards in a fair way to make sure all children have happy play times. As with all adults in school, children must treat our Midday Supervisors with respect.

At the end of each lunchtime, an adult will collect in the Yellow and Red Cards and let class teachers know. A record will be kept of this information. Parents will be informed if there is a serious incident.

As cards can be issued by any Midday Assistant/ Teaching Assistant, you could be given more than one Yellow Card in one lunchtime. If this happens, you will be kept in for a further 20 minutes the following day.

## PE Kits

As a school, we have decided to continue to ask children to come to school in their PE kits on PE days. This decision has been made due to many factors, including increased learning time, less time spent finding lost items of clothing and ease for parents.

We do ask that parents ensure that children adhere to our school PE uniform policy on these days and ensure that full school uniform is worn during the other days of the week.

Children that are not wearing full school uniform on these days will be picked up on and, in repeat cases, parents will be contacted by school.

# Barney Award – Friday’s Celebration Assembly

Led by Mrs Wood, Miss Cheetham or Mrs Rondeau

This assembly is held on a Friday.  
This is a chance to hear about  
which children has demonstrated  
our ‘Building Learning Power’  
traits amongst other things.

# Reminders of Whole School Policies

- Please ensure that children adhere to our uniform guidelines and are well presented and should not wear earrings.
- Water - not squash or flavoured water.
- A piece of fruit/vegetable for break time (not cereal bars)
- Remember we are a nut-free school; we encourage healthy choices for packed lunches.
- Only foam balls are allowed on the playground at lunchtime only.
- No birthday sweets.
- Staff do not hand out party invitations – please do this yourselves. Thank you.

## Drop off and Pick up arrangements

We will be returning to our usual pick and drop off routines, unless the government guidelines change.

In the morning, please drop your children off at either Radcliffe Gardens or Harbury Road gate and they will come straight into their classrooms where their teachers will greet them. The gates will open at 8.40am and be closed at 8.55am. The register will be taken at 8.55am so any child arriving after this time will need to come in via the school office and will be marked late.

The gates will open again at 3.05pm and children will be dismissed from the playground at 3.10pm. Year 1 parents, please stand outside the Year 1 fenced area where the teacher can see you from their back door. Year 2 parents, please stand next to the Reception building outside Robin class, behind the white line.

# Communication

If you have any questions or concerns during the year please do come and speak to us – we will be on the playground at the end of the school day.

If you need to contact us by e-mail, please use the Barrow Hedges e-mail address: [office@barrowhedges.com](mailto:office@barrowhedges.com) . Please write the Class Teacher's name as the subject header. Please note you won't get an immediate response; during the day the focus is on teaching and sometimes teachers won't look at their emails until the end of the school day. Alternatively, please do send a note in the morning in the Home School Book with your child if it to alert the teacher's attention to something and doesn't require a response.

*Please only contact teachers via the school and not through social media such as Facebook.*

# Primary Assessments in LKS2

Schools must administer the [multiplication tables check](#) in Year 4 within the 3-week period from Monday 6 June 2022.

Further information will follow.

## Multiplication tables check

### What is the MTC?

The MTC is an on-screen check consisting of 25 times tables questions. Your child will answer 3 practice questions before moving on to the official check and will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

### Do I need to do anything to prepare my child for the check?

No. You do not need to do anything additional to prepare your child for the check. As part of usual practice, teachers may ask you to practice times tables with your child, as they would with spelling.

In terms of preparing pupils for the on-screen nature of the MTC, schools will have access to a 'try it out' area. They will be able to use this to familiarise pupils with the check and try out any access arrangements that may be required.

***We look forward to working with you this  
year.***
