

Thursday 24th February 2022

Key Stage One SATS Parent Information Session

Dear Year 2 Parents,

On **Wednesday 16th March**, we will be offering an **online** Parent Information Session for the Year 2 SATs tests.

The aims of the session will answer the following questions:

- Why do we have SATs?
- What will the tests look like this year?
- How will we help the children to prepare?
- How can you help your child to prepare?
- What will be the impact of the results and how will these be shared?
- What are the key dates?

We will run one online session at 5pm, which will be recorded for those of you that cannot make it. Please confirm whether you will be attending by Friday 11th March so that we can then set up your Teams invitation.

If you have any questions, please do not hesitate to ask your child's class teacher.

We look forward to seeing you,

Mr Pearce, Mr Shaw, Mrs Nutley and Miss Watkins
Year 2 Team
