

Year 2 – Summer Term 2

We Are Photographers

Computing

In this unit, the children will review photos online, practise using photographic devices, take photos to fit a given theme, edit their photos, and then select their best images to include in a shared portfolio.

Information Technology

Prior Knowledge

Children will already know how to create images using **paint tools** and safely search for images online.

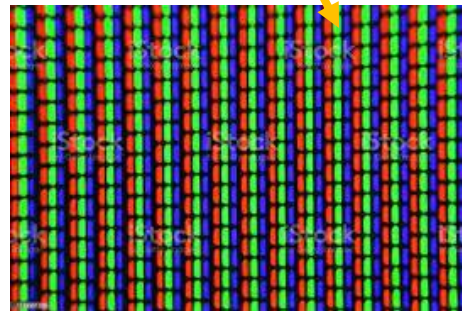

E-safety:

To know what is meant by personal information.
To identify where to go for help and support with concerns.

Focus – Create a
•••••
clear image of a particular subject.

Pixel – is one of the
•••••
many tiny dots that make up a picture on a screen.

Frame – When you
•••••
carefully choose what will be seen in a picture.

Portfolio – A
•••••
collection of work that a person has created.
