

Monday 18<sup>th</sup> September 2023

Dear Parents and Carers,

As you are aware, we learn about a multitude of cultures and religions in order to celebrate diversity and expand our children's understanding of the wider world. I am writing to ask whether any of you would wish to deliver an assembly to our KS1 or KS2 children in either the Spring or Summer term about your religion or worldview. It would be wonderful for the children to have members of the Barrow Hedges community speak to them for around 10 to 15 minutes on their religion or worldviews to contextualise their learning to the local community.

Please let us know at your earliest convenience if you are interested in delivering one of these assemblies so that we can ensure we have a range of representatives. Please email the school and then we can discuss dates, times and topics. We will talk through all slides and content to ensure they are age appropriate and so that the children get the most out of this experience.

Additionally, we would be grateful for any spare or old religious objects or texts that you may be able to donate to the school. These help our children understand other religions in a deeper way and support our teachers to provide high quality education in this subject. Please either email to confirm whether anything would be useful for the school or give any donations to the office for Mr. Woolford.

Thank you for your time and I look forward to hearing from you soon.

Kind regards,

**Mr. Duncan Woolford**  
Year 5 Teacher, RE Leader and Autism Champion
